Sorry, I can't take credit cards at this point - personal or cashier's checks only.
No, I won't use your e-mail address for anything other than to contact you regarding your order.
I will print and mail photos within one week of receiving your order. Photos will be printed on heavy photographic stock, and should not fade for many years, but that depends on factors beyond my control.
Direct sunlight will cause photos to fade rapidly - please display them under normal indoor lighting conditions.
